Comment. The information contained in paragraphs 2 - 4 below reporting a possible coup attempt was received shortly before that contained in paragraph 1 and will serve as background data of possible significance in connection with the Premier's abduction.

2. A line-up of Thai Army and Navy factions are organizing with the intention of ousting the Phin Chunhawan-Phao Sriyanon group. This coalition has Phibun's blessing if not actually his active support. The plotters will charge Phin and Phao with "cooperation with the Communists".\*\*
